Buy and Sell

# • ONBOARDING SCREEN

- THE ONBOARDING SCREEN IS DESIGNED TO INTRODUCE NEW USERS TO THE KEY FEATURES OF THE APP. IT PROVIDES A BRIEF OVERVIEW OF WHAT THEY CAN EXPECT AND HOW THEY CAN UTILIZE THE APP TO ENHANCE THEIR EXPERIENCE.
- IF YOU CLICK ON SKIP THEN YOU GO TO DIRECT HOME PAGE.

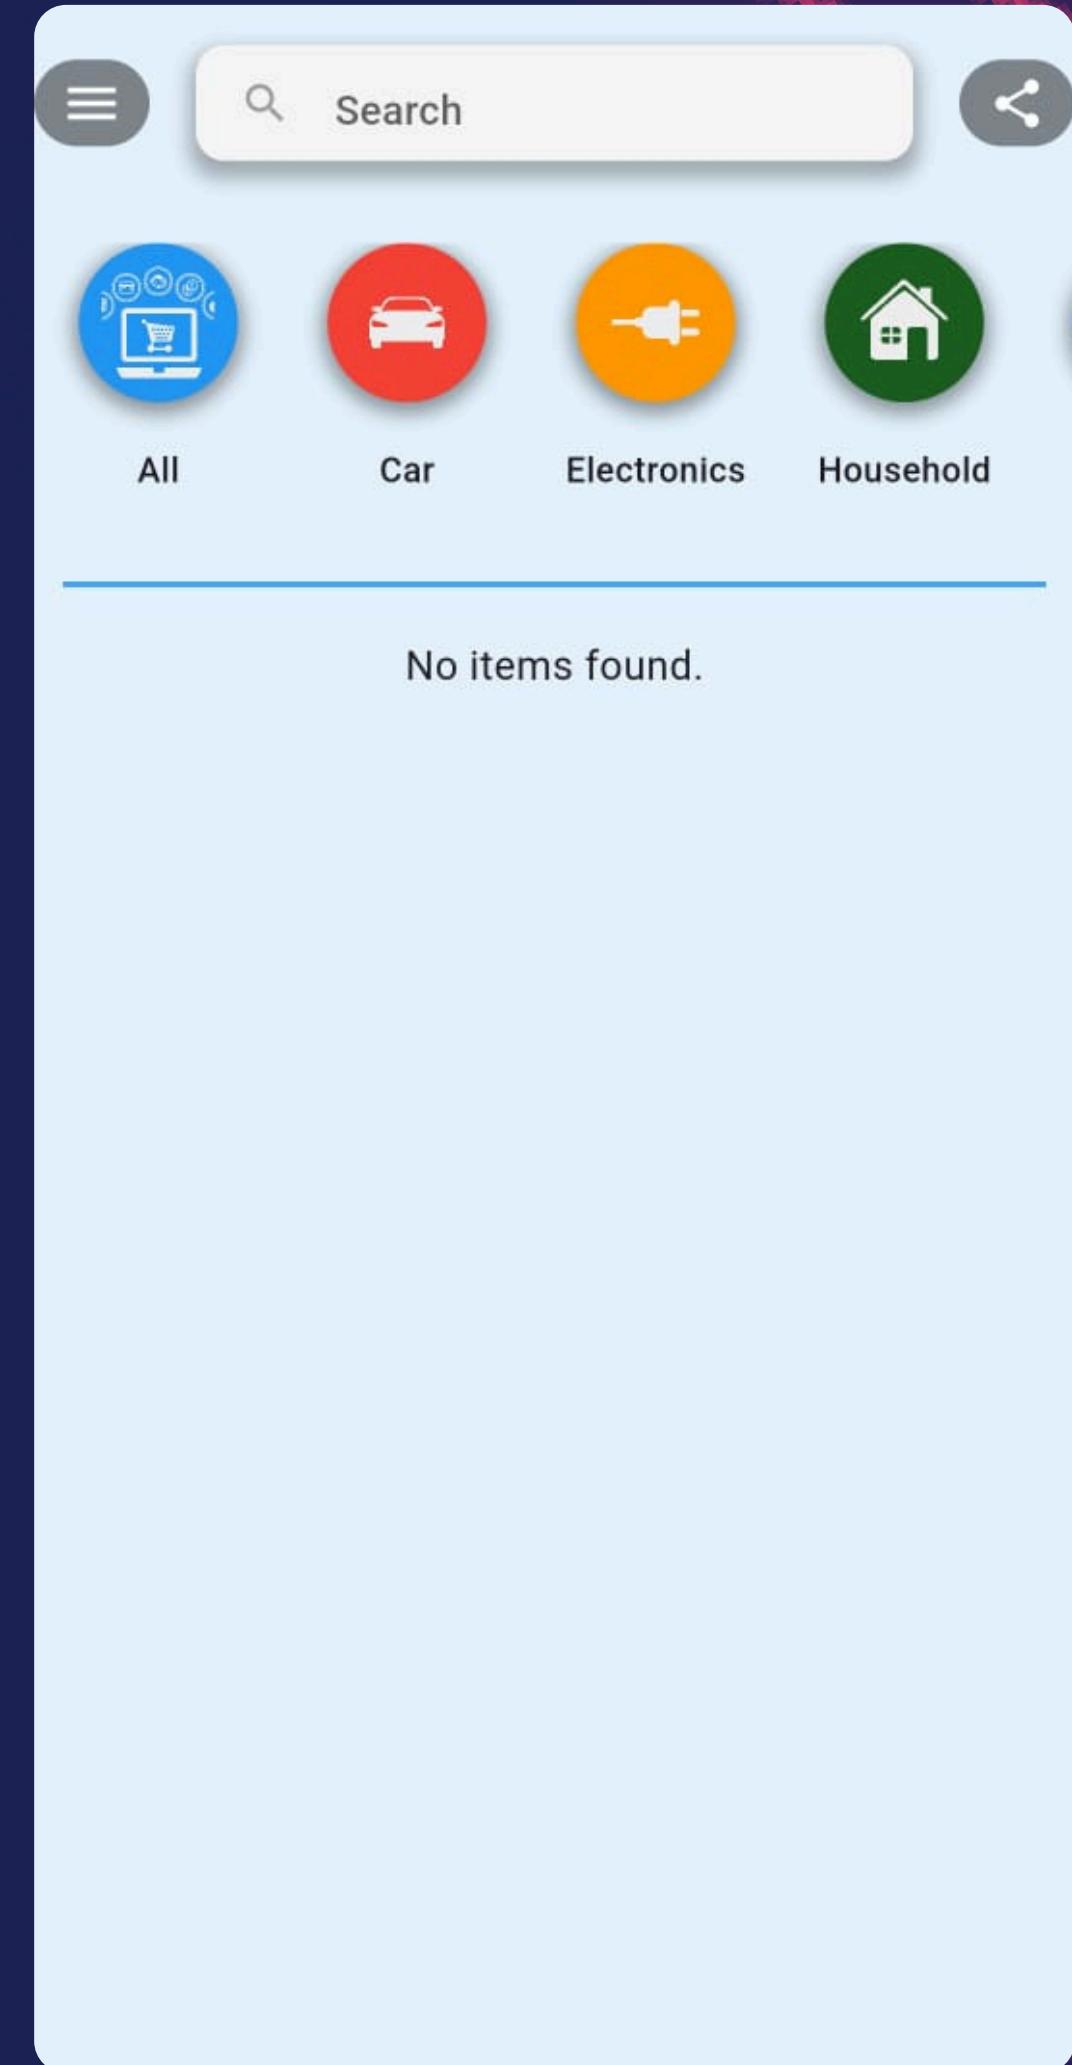

The Onboarding Screen consists of three main sections:

- Buy And Sell**: An illustration shows two people interacting with a shopping cart and various icons representing different features like payment methods and delivery. Below the illustration, the text reads: "A seller adds a new item for sale by filling out a form and uploading images".
- Categories Wise Item**: An illustration shows four people holding a "SALE" sign and shopping bags, with a credit card icon. Below the illustration, the text reads: "The user navigates through various categories to find items of interest."
- User Profiles**: An illustration shows a person standing next to a smartphone displaying a user interface with a "BUY" button. Below the illustration, the text reads: "Allow users to view and edit their profiles, including their personal information and a list of items they have bought or sold."

Each section has a "..." button at the bottom left and a blue circular arrow button at the bottom right.
